Elementary School Information and Curriculum

We are in our 5th year being a one-to-one technology school. Each student in grades 3-6, has their own MacBook Air and is very knowledgeable about the technology. Each student grades K-2 has an Apple IPAD.

Hillcrest teaches the Arkansas State Standards and Curriculum Frameworks as set forth by the ADE. Students are tested for academic achievement and growth periodically with IStation in grades K-2 and the ACT Aspire in grades 3-6. Enrollment has been steady for the past several years, there are currently 225 students in grades K-6. There are 13 different general education classrooms at this time.

Elementary Extracurricular Activities

Gifted and Talented

- Mrs. Rhonda Scott teaches G/T Enrichment classes to grades K-3. Students in grades 4-6 are referred for G/T and a committee then selects whom will be in G/T classes.

Lawrence County Spelling Bee

- Mrs. Karen Tidwell and Mrs. Jeanne Clemm coordinates a local spelling bee, then the top three 6th grade finishers will competed at the Lawrence County spelling bee.
